Inclusion of more districts of Orissa under NFSM

782. SHRI B.J. PANDA: MS. PRAMILA BOHIDAR:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether the Orissa Government has requested the Centre for inclusion of four more districts under the National Food Security Mission (NFSM) for rice and three more districts for pulses, with a view to secure food security;

(b) if so, the status of the proposal; and

(c) the time-frame within which the proposal of the State Government would be agreed to and sanction conveyed, if not already done?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA): (a) to (c)No, Sir. No porposal as such for inclusion of four more districts of Orissa under National Food Security Mission (NFSM)-Rice and three more districts for NFSM-Pulses have been received from the Government of Orissa. However, in a meeting of Agriculture Ministers of the States with Union Agriculture Minister on 16th October, 2007, the Agriculture Minister of Orissa raised an issue to replace three identified districts of Orissa *viz.* Sunergarh, Jharsuguda and Deoghar with four districts *i.e.,* Balasore, Cuttack, Bhubaneshwar and Ganjam under NFSM-Rice. The matter was examined. Since these districts do not fulfil the criteria for inclusion under NFSM-Rice, and thus, were not included. .

Failure of current pesticides regulatory system

783. SHRI C. PERUMAL: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that the current pesticides regulatory system in the country had failed to check manufacturing, distribution and use of spurious and sub-standard pesticides which has caused huge loss to farmers;

(b) if so, the steps taken by Government to revamp such regulatory system and to prevent distribution of sub-standard perticides which is endangering the environment;

(c) the details thereof; and

(d) if not, the reason therefor?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTI LAL BHURIA): (a) to (d) No, Sir. It is not a fact that the current pesticides regulatory system in the country had failed to check manufacturing, distribution and use of spurious and sub-standard pesticides which has caused huge loss to farmers. The Government regulates the manufacture and use of pesticides under the provisons of the Insecticides Act, 1968. The Registration Committee, constituted under Section 5 of the Insecticides Act, 1968, registers pesticides only after having satisfied itself of their efficacy and safety. Quality assurances of pesticides is ensured by the State Government through regular drawl and analysis of pesticides samples through a network of Insecticide Inspectors, Insecticide Analysts and Pesticides Testing Laboratories. Under the provisons of the Act penal action is taken by the States against manufacturers of spurious and substandard pesticides.

The Government of India provides assistance to the States for establishing and strengthening of Pesticides Testing Laboratories. The Government also promotes judicious use of pesticides through its policy of Integrated Pest Management (IPM).
